Dear Mr Ranicar

**Re: US National Phase of International Patent Application No: PCT/GB2004/001033**  
**TITLE "RADIOPARMACEUTICAL GENERATION SYSTEM"**

Please find enclosed a copy of the Assignment and Declaration forms for the above patent application. This is a requirement for the US patent office.

In order to complete the US national phase filing formalities, please would you sign and date these forms (please sign the assignment in front of a witness) and then could you please return them to me at the above address.

For your information I also enclose a copy of the published PCT publication WO 2004/080523 together with the First Preliminary Amendment filed by our US office .

I look forward to hearing from you. In the meantime, if you have any queries please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Kay'.

Dear Mr Ranicar,

RE: US National Phase of International Application Nos. PCT/GB2004/001033 and PCT/GB2005/004448

I'm e-mailing from the Intellectual Property department at GE Healthcare, maybe you remember speaking to me a couple of weeks ago regarding the documents referred to above which require your signature. I was wondering if you'd had the chance to look at these documents, if so please could you sign them and return them to me as soon as possible.

If you have any further questions please don't hesitate to contact me.

Kind Regards

Jackie Macmillan

Dear Mr Ranicar

**Re: US National Phase of International Patent Application No: PCT/GB2004/001033**  
**Title: "Radiopharmaceutical Generation System"**  
**Applicant: Hammersmith Imanet Limited**

and

**Re: US National Phase of International Patent Application No: PCT/GB2005/004448**  
**Title "Stabilisation of Radiopharmaceutical Precursors"**  
**Applicant: Hammersmith Imanet Limited**

Please find attached a copy of the Assignment and Declaration and Power of Attorney for Patent Application forms for the above patent applications. This is a requirement for the US patent office.

I have also enclosed a copy of the PCT Publication for both of the above along with Preliminary Amendment for both.

The two Assignment documents should be witnessed and the witness will also need to print his or her name underneath.

In order to complete the US national phase filing formalities, please would you sign, date and return them to me at the above address preferably within the next 7 days.

I look forward to receiving the above signed documents.

Yours sincerely

Lisa Higgin  
Patent Assistant
